768 courtney st. se
concord, nc 28025

head choices for option a

for **option a**, the mcdevitt studio selects a "blank canvas head" from it's large gallery, based on reference photos sent by you, the customer. Because of the difficulty most customers have in visualizing what the end result will be, we have found that choosing the correct head is best left to the mcdevitt studio and our years of experience.
